(b.) Within a month after the date of awarding a timber berth, the party in whose favour it is awarded shall pay rent for the year in advance, and if not then paid the said rent shall bear interest at the rate of six per cent. per annum from that date until the same is paid.

(c.) The licensee shall furnish the Crown Timber Agent having jurisdiction in the matter sworn returns monthly, or at such times as the Minister of the Interior may direct, accounting for the full quantity of sawn lumber and other products of timber manufactured and sold and otherwise disposed of, and pay the following Crown dues, that is to say:—

Sawn lumber, 50 cents per thousand feet, B.M.

Railway ties, 8 feet long 1½ cents each.

" 9 " 1¼ " "

Shingle bolts 25 cents per cord.

And 5 per cent. on the sales of all other products of the berth.

A rebate of forty cents per thousand feet, B.M., will be allowed on lumber exported from British Columbia to places outside of the Dominion of Canada, provided the licensee can produce evidence to the Crown Timber Agent as to the quantity exported.

(d.) Should the licensee manufacture other timber at his mill, than that cut under his licence or on

Dominion Lands so as to make it difficult or impossible to keep a separate account of the sales thereof, he shall pay dues at the rates provided in the preceding sub-clause "c" on the amount of the lumber in the log, on returns required, under sub-clause "c."

(e.) All licensees shall furnish to the Crown Timber Agent having jurisdiction in the matter monthly, or at such time as the Minister of the Interior may direct, through himself, his scaler and foreman, a statement in writing, in detail, under oath, setting forth the number of pieces of timber, saw-logs and other material cut, caused to be cut or taken under his or their licences during the month immediately preceding said statement, or for such other period as may be required, and the correct contents in board measure of the same, as shown by Scribner's log rule, if the timber has been cut in Manitoba, the North-West Territories or the District of Keewatin, and by the British Columbia log scale when cut within the Railway Belt of British Columbia.

(f.) On the arrival of any raft or parcel of timber or saw-logs (cut or taken from Dominion lands) at the place where the same is to be manufactured or sold, and before the same becomes mixed with the timber or saw-logs, the owners or persons in charge thereof, shall report the same to the Crown Timber Agent having jurisdiction in the matter, making, if required, declaration upon oath as to where the said timber was cut, the number of pieces and the description of each kind of wood contained in such raft or parcel of timber and contents thereof in board measure, and should the Crown Timber Agent not be satisfied with the correctness of such report he shall cause a strict count and scale to be made of the timber on such raft; and on being satisfied of the correctness of such report or count, the Crown Timber Agent may grant a clearance in due form for such raft, when the same may be at the disposal of the owner or person in charge of the same. Should the number of pieces given in the report of the owner or person in charge be found by the specification of measurement to contain a greater number of pieces or contain a greater number of feet in board measure than is given by the owner or agent's report, the surplus number of pieces or overplus, if not satisfactorily explained, shall be held as having been cut on Dominion lands without authority, and subject to payment of dues accordingly. This clause only to have force in the case of a licensee making payment of dues on the quantity of lumber contained in the timber or saw-log by log scale.

(g.) The licensee shall also pay the Crown dues prescribed by the regulations on any lumber or other timber products on which the dues have not previously been paid which may be damaged or consumed by fire or otherwise destroyed.

Licensees will not be required to pay royalty dues on the sales of slabs, for fuel purposes, or on saw-dust.

(h.) Saw-logs and other timber for manufacture, taken from the berth, must be manufactured at the saw-mill of the licensee to be operated in connection with the berth, as prescribed by sub-clause "j."

All timber before being put into any stream or lake to be floated to the mill, must be marked with a stamp furnished by the licensee and approved by the Crown Timber Agent, a copy of said stamp to be placed on record in the Crown Timber Office.

(i.) It is required that all licensees, through themselves, their scalers and foremen, shall furnish proof on oath on the said first day of May of each year, or at such other time as the Minister may direct, as to the exact locality, by a ground sketch, where all timber, saw-logs or other lumber cut by themselves and others, to their knowledge, upon the timber berth held or occupied by him or them, respectively, have been cut.

(j.) The licensee shall have in operation within a year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding a saw-mill, in connection with his berth, capable of cutting in twenty-four hours a thousand feet, board measure, for every two and a half square miles of the area licensed, or shall establish such other manufactory of wood goods as the Minister accepts as equivalent thereto.

(k.) Any right to a timber berth cannot be assigned or transferred without the consent of the Minister of the Interior.

(l.) All timber licences shall expire on the 30th of April next after the date thereof.

Section 3.

When a licensee has complied with all the conditions herein set forth in his licence and the regulations, and where no portion of the timber berth is required for settlement or other public purpose, of which the Minister of the Interior is to be the judge, the licence may be renewed for another year, subject to such revision of the annual rental and royalty to be paid therefor as may be fixed by the Governor in Council.

Section 4.

(a.) The person who has acquired a timber berth shall receive a licence so soon as the berth has been awarded to him, but the licensee before he cuts any timber thereunder shall cause to be made at his own expense, under the instructions of the Surveyor-General, a survey of his timber berth by a duly qualified Dominion Land Surveyor, and the plan and field-notes of such survey shall be deposited on record in the Department of the Interior; and he shall be held liable for the dues upon timber that may be cut by any one on the berth subsequent to ten days from the date upon which he is notified that the berth has been awarded to him. The dues upon such timber to be fixed by the Minister of the Interior.

(b.) In surveyed territory berths shall consist of township sections, their legal subdivisions or fractions thereof.

Section 5.

If, in consequence of any incorrectness in survey or other error or cause whatever, a timber berth is found to comprise lands included in another berth awarded at a prior date, or any lands sold, granted, leased or lawfully set apart for any other purpose under these regulations or the Dominion Lands Act, the later berth shall be void in so far as it interferes with any previous sale, grant or setting apart.

Section 6.

All ground rents, royalties or other dues on timber cut within the boundaries of any timber berth, which are not paid at the time when they become due shall bear interest at the rate of six per cent. per annum until paid, and shall be a lien on any timber cut within such limits; or on other Dominion lands by the licensee or his agents; and in case of such non-payment—whether in consequence thereof the licence of the berth has or has not been cancelled—the Crown Timber Agent or other person authorised thereto may, with the sanction of the Minister, seize so much of the timber cut on such berth or other Dominion lands by the licensee or his agents, as will, in his opinion, be sufficient to secure the payment of such rent or royalty and all interest and expenses of seizure and sale, and may detain the same as security for the payment thereof; and if payment is not made within three months after such seizure, he may, with the sanction of the Minister, sell such timber by public auction, and after deducting the sum due to the Crown, the interest thereon and expenses aforesaid, he shall pay over the balance, if any, to the licensee, if the timber was in his possession at the time of seizure, or if it was not, to the person who had possession thereof at the time.

Section 7.

All timber cut under licence shall be liable for the payment of the Crown dues thereon, whenever and wherever the said timber or any part of it is found, whether it is or is not converted into deals, boards or any other manufacture of wood; and all officers or agents employed in the collection of such dues may follow all such timber and may seize and detain the same wherever it is found, until the dues thereon are paid or secured, as provided in the next preceding clause.

Section 8.

If the payment of the Crown dues on any timber has been evaded by any licensee or other person, by the removal of such timber or products out of Canada, or otherwise, the amount of dues so evaded and any expenses incurred by the Crown in enforcing payment of the said dues under the Dominion Lands Act, may be added to the dues remaining to be collected on any other timber cut on any timber berth by the licensee or by his authority, and may be levied and collected or secured on such timber, together with such last mentioned dues, in the manner hereinbefore provided; or the amount due to the Crown, of which payment has been evaded, may be recovered by action or suit in the name of the Minister or his agent, in any Court of competent jurisdiction.

Section 9.

The Minister may take or authorise the taking of bonds or promissory notes for any money due to the Crown, as aforesaid, or, in his discretion, for double the amount of any dues, penalties and costs incurred or to be incurred, and may, if it is under seizure, then release any timber upon which the same would be leviable, but the taking of such bonds or notes shall not affect the right of the Crown to enforce payment of such money, and the debt shall be a lien on any timber cut on the same or on any other berth by the licensee or by his authority, if the sums for which such bonds or notes are given are not paid when due.

FORM OF TIMBER LICENCE.

Section 10.

The following is the form of licence to be used in respect of timbered lands:—

Know all men by these presents, that by virtue of the authority vested in me by the Dominion Lands Act, that by an Order of His Excellency the Governor-General in Council, of the _____ day of _____, 18____, I, _____, Minister of the Interior, of Canada, do hereby, in consideration of the sum of _____, ground rent, now paid to me for the use of Her Majesty, and in consideration of the royalty hereinafter mentioned, given unto _____, hereinafter called the licensee, executors and administrators, full right, power and licence, subject to the conditions and restrictions hereinafter mentioned and contained, and such other conditions and restrictions as are in that behalf contained in the Dominion Lands Act, and the amendments thereto, and in the regulations respecting timber passed by the Governor-General in Council, to cut timber on the following tract of land (hereinafter called the "berth" or "berths") that is to say:—_____, and to take and keep exclusive possession of the said lands, except as hereinafter mentioned, for and during the period of one year from the _____ day of _____, 18____, to the _____ day of _____, 18____, and no longer.

This licence shall vest in the licensee, subject to the conditions hereinafter mentioned, all right of property whatsoever in all trees, timber, lumber, and other products of timber cut within the "berths" during the continuance thereof, whether such trees, timber and lumber or products be cut by authority of the licensee or by any other person, with or without consent; and shall entitle the licensee to seize in replevin, revendication or otherwise, as property, such timber where the same is found in the possession of any unauthorised person, and also to bring any action or suit at law or in equity, against any party unlawfully in possession of any such timber or of any land so leased, and to prosecute all trespassers thereon and other such offenders as aforesaid, to conviction and punishment, and to recover damages, if any, and all proceedings pending at the expiration of this licence may be continued and completed as if the same had not expired.

This licence is subject to the following conditions and restrictions, in addition to such of the conditions and restrictions as are in that behalf contained in the Dominion Lands Act, and the amendments thereto, and in the regulations respecting timber passed by Order of the Governor-General in Council:—

1. That the licensee shall not have the right thereunder to cut timber of a less diameter than ten (10) inches at the stump, except such as may be actually necessary for the construction of roads, &c., to facilitate the taking out of merchantable timber.

2. That this licence shall not be allowed to interfere with the settlement of any lands within the "berths" which may be desirable for settlement, the Minister of the Interior to be the judge of the fact, and the only recourse of the licensee against the ruling of the Minister in favour of permitting settlement within such "berths" to be that (the licensee) may within sixty days after receiving notice to the above effect from the local agent of Dominion Lands, remove all timber on such lands which may be over ten inches in diameter at the stump.

Further, that this licence shall not prevent individual Homestead Settlers holding free permits heretofore or hereafter given under the Order in Council, dated the seventeenth day of September, 1889, or under any subsequent Order in Council passed in such behalf, from cutting and removing from the land covered by this licence such quantity of building timber, fence rails, or fire wood, as such permit may set forth, and the Government may, notwithstanding this licence, give such permit to individual settlers

from time to time under said Order in Council or any subsequent Order in Council.

3. That the licensee shall take from every tree cut down all the timber fit for use, and manufacture the same into sawn lumber or some other saleable product.

4. That the licensee shall prevent all unnecessary destruction of growing timber on the part of his men, and exercise strict and constant supervision to prevent the origin or spread of fires.

5. That the licensee shall make returns to the Government monthly, or at such other periods as may be required by the Minister of the Interior, or by regulations under the said Act, sworn to by him or by his agent or employee, cognizant of the facts, declaring the quantities manufactured, sold or disposed of, of all sawn lumber, timber, or any other product of timber from the berth with the exception of slabs for fuel and saw-dust, in whatever form the same may be sold or otherwise disposed of by him during such month or other period, and the price or value thereof.

6. That the licensee shall pay, in addition to the said ground rent, dues in the manner prescribed in sub-section "c" section 2 of the Timber Regulations.

7. That the licensee shall keep a "lumber sales book" in which shall be entered all sales of the products of the berth, both cash and credit sales, also a book accounting for the number of feet of sawn lumber manufactured each day at the mill, with day and date; all books and memoranda kept at the logging camps shall be carefully preserved and these and other books kept by the licensee in connection with his lumbering business he shall submit for the inspection of the Crown Timber Agent or other officer of the Crown whenever required for the purpose of verifying his returns aforesaid.

8. This licence shall be subject to the right of the Crown to deal in accordance with the provisions of the said Act, and the regulations made under it by the Governor in Council with any and all stone, coal and other minerals found within the limits of the berth licensed; and the Crown shall have the right in dealing, as above provided, with any stone, coal or other minerals in lands licensed as timber limits to authorise the persons to whom such stone, coal or other minerals are granted, to take possession of and occupy such extent of the land so licensed as is necessary to work such stone, coal or other minerals, and to open necessary roads through any such timber berth paying the licensee of the berth the value of any and all timber of a diameter of ten inches at the stump and upwards, necessarily cut in making such roads or in working the quarries or mines, such value in case of dispute to be fixed by the Minister of the Interior; and the provisions of this clause shall operate retrospectively, that is to say: They shall apply to all licences of timber berths heretofore granted under any Act respecting Dominion lands, as if they had been contained in such Act when it was passed.

9. The licensee shall be subject to forfeiture for infraction of any one of the conditions to which it is subject, or for any fraudulent return; and in such case the Minister of the Interior shall have the right without any suit or other proceeding at law or in equity, or compensation to the licensee, to cancel the same, and to make a new licence or disposition of the said "berth" to any other party, at any time during the term hereby granted. Provided that the Minister of the Interior if he sees fit, may refrain from forfeiting such licence for non-payment of dues, and may enforce payment of such dues in the manner provided by the said Act:—

Provided, that if during the said term of one year any actual waiver on the part of the Minister of the Interior, or of any one on his behalf, of the benefit of any condition in this licence shall take place in any one particular instance, such actual waiver shall not be assumed or deemed to extend in any instance or any breach of such condition, other than that to which such waiver shall specially relate, nor to be a general waiver of the benefit of such condition. Provided that whenever in the above conditions the word "licensee" occurs, it is to be taken to extend to and include the executors, administrators and assigns of the "licensee."

Provided further, that the Minister of the Interior shall be the sole judge of the fact in regard to infraction or alleged infraction of any one of the conditions of this licence, and that his decision in relation thereto shall be binding and conclusive.

10. That should the Canadian Pacific Railway Company, or any other railway company, become entitled to a grant from Her Majesty or Her successors of any

portion of the lands hereby demised, whether as part of their land subsidy provided for by the Statutes of Canada, or for the road-bed of the railway, or its branches, or for stations, station grounds, workshops, dock grounds and water frontage on navigable waters, building yards and other appurtenances required for the convenient and effectual construction and working of the railway and its branches, and if Her Majesty or successors grant the same, the land so granted shall as soon as due notice thereof in writing has been served upon the licensee, or his legal representatives, be withdrawn from the operation of this licence, but the licensee or his legal representatives shall be at liberty to remove all timber then cut and all other property belonging to him then on the lands thereby withdrawn from the operation of this licence.

11. This licence cannot be assigned or transferred without the consent of the Minister of the Interior.

12. The licensee shall have in operation within one year from a date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest and keep in operation, for at least six months of each year of his holding, a saw-mill in connection with the berth herein described, capable of cutting in twenty-four hours a thousand feet board measure for every two and a half square miles of the area licensed.

Dated at Ottawa, this day of
one thousand eight hundred and

.....
Deputy of the Minister of the Interior.

I accept this licence, and agree to all the terms and conditions thereof.

Licensee.

TIMBER PERMITS AND DUES.

Section 11.

Permits to cut timber on available Dominion Lands, subject to the payment of the dues hereafter specified, are granted by public competition, except in the case of an actual settler, to whom may be granted a permit to cut timber for his own use, without public competition:—

Exception is also made in the case of settlers and persons living in cities, towns and villages, who may obtain permits to cut up to 100 cords of wood for sale without competition.

(b.) All other products of the forest, not enumerated, 10 per cent. *ad valorem*.

Section 12.

An office fee of twenty-five cents shall be charged for each permit.

Section 13.

Issuers of permits will be instructed by the Minister of the Interior as to the quantity of timber that will

be granted, and also what proportion of dues shall be deposited on the issue of permit as a guarantee on the part of those obtaining the same.

Section 14.

Besides the dues above specified, grantees of permits may be called upon to pay such additional sum as the Minister may judge necessary to meet their proportion of any expense incurred or that may be incurred by the Department in making a survey or other demarcation on the ground of the boundaries within which such permits are to be operative.

Section 15.

Permits shall set forth that those obtaining them must conform to their conditions, terms and requirements specified in the same, and carefully restrict their cutting to the limits described therein, and any breach thereof will subject the offender to all the pains and penalties in that behalf prescribed by the Dominion Lands Act.

Section 16.

The permittee shall cut up the whole of the trees felled in such a way that there shall be no waste, and to prevent the spread of prairie or bush fires, the refuse (*i.e.*, the tops and branches unfit either for rails or firewood) shall be piled together in a heap and not left scattered through the bush.

Section 17.

In the discretion of the Minister of the Interior permits may be granted in Manitoba and the North-West Territories to saw-mill owners to cut over a definitely described tract of land, not exceeding fifty square miles, in extent, on payment of Crown dues at the rate of fifty cents per thousand feet on sawn lumber, and a further sum of fifty cents per thousand feet in lieu of bonus and ground rent; all other products of manufacture to be paid for at the rates set forth in section 11, clause "a."

Permits of this class shall become null and void in the event of the permittee not operating upon the berth described therein to a reasonable extent during the continuance thereof.

TIMBER PERMITS ON SCHOOL LANDS.

Section 18.

Permits to cut timber upon School Lands may be granted in the discretion of the Minister of the Interior, who, before authorising the issue of permits to cut upon any section or portion thereof, shall cause the same to be carefully examined, and shall satisfy himself that the removal of the timber will not impair the value of the land when offered for sale.

PERSONS EXEMPTED FROM DUES.

Section 19.

No dues are to be exacted from the following classes of persons for timber cut upon undisposed Dominion lands; that is to say:—

(a.) Miners engaged in prospecting when holding free miner's certificates.

(b.) Travellers.

(c.) Persons engaged in merely scientific pursuits or exploring.

(d.) For timber cut for the construction of public works, public institutions, and the buildings in connection therewith. The quantity of timber to be taken under permit free of dues to be determined by the Minister of the Interior, who shall also prescribe the territory within which it shall be cut and by whom.

TIMBER FOR HOMESTEADERS.

Section 20.

Any occupant of a homestead quarter-section having no timber of his own suitable for the purposes hereunder mentioned, may, providing he has not previously obtained a free allowance of timber, obtain a permit to cut such quantity of building timber, fencing timber or fuel as he may require for use on the land he owns and occupies, not exceeding the following:—

(a.) 3,000 lineal feet of building timber, no log to be over 12 inches at the butt end, unless the timber is cut from dry trees, in which case timber of any diameter may be taken.

Should the building timber be sawn at a mill, the permittee will be entitled to receive free of dues 6,750 feet, board measure, of lumber therefrom and no more, or in the proportion of 225 feet, board measure, to 100 lineal feet of timber manufactured.

(b.) 400 roof poles to be used for such purpose.

(c.) 500 fence posts, 7 feet long and not to exceed 5 inches at the small end.

Section 21.

Should the house timber be sawn at a mill, payments for sawing must not be made by way of toll, as the full quantity of lumber cut from the logs must be used on the permit-holder's homestead.

Section 22.

In order that mill-owners may be able to give satisfactory evidence that saw-logs or lumber found in their possession have been lawfully cut, they shall require from settlers bringing timber to be sawn, proof that the same has not been cut on Dominion lands, or that it has been cut under a permit, which the settler should produce in order that its number, its date, and the name of the permittee may be noted by the mill-owner. The latter should also record the quantity of such timber sawn by him, so that he may be in a position to duly protect himself should an account or return thereof be demanded by agents of the Department.

Section 23.

The applicant will require to pay an office fee of twenty-five cents before he can obtain a permit, but no dues will be charged for the timber or wood cut under and in accordance therewith.

Section 24.

Homesteaders and all *bona fide* settlers whose farms may not have thereon a supply of timber, or who are not in possession of wood lots or other timbered lands, will be granted a free permit to take and cut dry fallen timber for their own use on their farms for fuel and fencing.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double

the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

VICTORIA CITY BY-LAWS.

No. 289.

A BY-LAW

To Authorise the Sale of Lands within the City of Victoria upon which Taxes have been due and in arrears for two years.

WHEREAS it is expedient that all lands or improvements, or real property within the limits of the Corporation of the City of Victoria, upon which Municipal Taxes have been due and in arrear for two years, shall be sold, and the proceeds applied in the reduction of such taxes:

Therefore the Municipal Council of the Corporation of the City of Victoria enacts as follows:—

1. The Collector of the Municipal Council of the Corporation of the City of Victoria is hereby authorised and directed whensoever taxes on any land or improvements or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Victoria a list (in duplicate) of all the lands or improvements or real property upon or in respect of which taxes shall have been unpaid and in arrear for the space of two years or upwards preceding the then current year, with the amount of arrears against each lot set opposite to the same; and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the lands or improvements or real property for the taxes due, which shall have been unpaid and in arrear for two years and upwards, with interest thereon at the rate of six per centum per annum from the 31st day of December next following the date when said taxes respectively became due, and his costs.

2. It shall not be the duty of the Collector to make inquiry before effecting a sale of land or improvements or real property for taxes, to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land or improvements or real property.

3. The Collector shall prepare a copy of the list of lands or improvements or real property to be sold, and in such list there shall be scheduled in separate columns: (1) The amount of taxes for which the pro-

erty is liable to be sold under this by-law; (2) the Collector's commission authorised by this by-law to be paid him and contingent expenses of sale; and (3) the total amount of taxes, interest and costs, for which the property is liable to be sold; and shall cause a copy of such list to be printed for a period of one month preceding the date of such intended sale in some daily newspaper published in the City of Victoria.

4. The advertisement shall contain a notification that unless the arrears, interest and costs are sooner paid the Collector will proceed to sell the lands or improvements or real property for the taxes, interest and costs, on a day, at a time, and at a place named in the advertisement.

5. The Collector shall also, at least one month before the time of sale, deliver or deposit, or cause to be delivered or deposited, in the post office of the City of Victoria, a notice in writing, or partly in print and partly in writing, of the amount of taxes for which the sale is to be made, and that the property is to be sold for arrears of taxes so due, and of the date of the proposed sale, addressed to the person, or if more than one, then to each of the persons, who, at the time of the delivery or deposit of such notice in the post office as aforesaid, appeared on the assessment roll of the said city as owner, or owners, or to the agent or agents of, or the person or persons commonly or usually paying the taxes for the owner or owners, and every such notice shall be addressed to the last known address of the person to whom it is so addressed, and in case the address of the owner or agent is unknown, a notice to the same effect shall be posted upon the land intended to be sold; and the Collector shall also, at least one month before the time of sale, post a notice similar to the said list at the City Hall or Council Chambers, and in the said Post Office buildings. The Collector shall also, at least one month before the time of sale, deliver or deposit, or cause to be delivered or deposited, in the said post office, a notice of the said sale similar to the notice sent to the owners or their agents, addressed to all persons having registered charges on the real property, or to the person or persons who registered such charges on behalf of such person having or owning such registered charges, and every such notice shall be addressed to the last known address of the person to whom it is addressed. Notice of any adjournment of the sale may be given by advertisement, for not less than one week, in the newspaper in which the original notice was advertised: Provided always, that in the event of any difficulty being experienced in effecting service of notice of any sale in any way hereinbefore authorised, substituted service may be effected in such a manner as any Judge of the Supreme Court may at any time direct, or he may, in his discretion, dispense with or waive the giving of any such notice.

6. The day of sale shall be a day to be named by the Collector in the said advertisement, not earlier than thirty-one days nor later than three months after the first publication in some newspaper of such list, exclusive of the day of such publication, and such sale shall take place at the Council Chambers, in the City Hall, in the City of Victoria, and shall begin at 12 o'clock noon: Provided always, that if the Collector shall from any cause whatever be unable to effect service of any notice of sale, in the manner herein directed, or to effect substituted service as directed by any such Judge, he may postpone the sale of the property or parcel of land in respect of which he is so unable to effect such service, from time to time, and shall give notice of such adjourned sale by advertisement in the newspaper in which the original notice was advertised, or he may withdraw the said property or parcel of land from the sale, and in either case shall proceed with the sale of the remaining lands or improvements or real property in the manner herein directed.

7. If at any time appointed for the sale of the lands or improvements or real property no bidders appear, the Collector may adjourn the same from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the lands or improvements

or real property as may be sufficient to discharge the taxes and interest and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first; and in offering such lands or improvements or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes in respect of which such sale is made, and interest and costs and the amount of taxes stated in the advertisement shall in all cases be *prima facie* evidence of the correct amount due.

9. If the Collector fails at such sale, or any adjournment thereof, to sell any such lands or improvements or real property for the full amount of the arrears of the taxes due, he shall at such sale or adjournment thereof adjourn the sale until a day to be publicly named by him, not earlier than one week nor later than three months thereafter, of which adjourned sale he shall give notice by advertisement in the newspaper in which the original notice was advertised, and on such day he shall sell such lands or improvements or real property previously offered for sale for any sum he can realize: Provided, that in event of the price offered for any property or parcel of land at such adjourned sale being less than the amount of arrears of taxes due in respect of such property or parcel of land, the Collector shall have power, if he thinks fit so to do, to purchase such property or parcel of land in the name of and on behalf of the said Corporation.

10. In the event of the Collector purchasing any property or parcel of land in the name of and on behalf of the said Corporation, and of the said property or parcel of land not being redeemed within the specified time, the Council of the said Municipality, notwithstanding anything contained in the "Municipal Clauses Act," may by a resolution sanctioned by the vote of two thirds of the Council, sell such property or any of it, at such price as the resolution may specify.

11. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money, the Collector shall forthwith again put up the property for sale.

12. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation, and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

13. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

14. "The Victoria Real Property Tax Sale By-Law, 1897," is hereby repealed.

15. This by-law may be cited for all purposes as "The Victoria Real Property Tax Sale By-Law, 1898."

Passed the Municipal Council the eighteenth day of August, 1898.

Reconsidered, adopted, and finally passed the Council this 22nd day of August, 1898.
